Live at the prestigious Akoya on Millionaires row in one of finest buildings in Miami, built in 2004. Enjoy endless water views of the ocean, the intercoastal and downtown Miami from your wrap around balcony. If you think the day time views are fabulous, try coming at night and feel the magic of the city which is colored with lights! The owner spared no expense on this apartment with Lime stone 24 inch floors, 5 inch limestone baseboards, new solid wood floors and frames, Hunter Douglas blinds and high tech designer lighting throughout. Attention has been paid to every detail! Building amenities include gym, steam room, heated pool(is being repaired & will be ready for beginning of 2023), tennis courts, beach service, 24 hr sec. & 1 parking + 1 valet. AVAILABLE STARTING September 1st
