Monad Terrace #2f, designed by Ateliers Jean Nouvel, offers view of downtown Miami, direct bay views, and nightly breathtaking sunsets the best that Miami Beach has to offer. As you walk into this furnished unit by Artefacto via your private elevator and foyer, you will immediately notice the open interior layout along with private balcony and your magnificent waterview! This unit boats floor to ceiling windows, wood and marble flooring, glass walls, marble island in the kitchen with Gaggenau appliances, custom made wine rack, stone tile bathroom walls, Calacatta gold showers and more. This is the only unit in the building with pool access via your private staircase. Relax and indulge yourself on your expansive wrap around 2,422 sq.ft. terrace.
